Life on campus

With a maximum of 115 students per session, Rēgent Camps creates a safe, close-knit international community where young people quickly feel at home.

What makes a RĒGENT Summer

Connect with nature and enjoy life in the Swiss Alps.

Explore new activities, discover new passions and make the most of every day.

Challenge yourself and grow in confidence and independence.

Belong to a close-knit international community, make new friendships and share everyday life in English.

Live well on a purpose-built boarding campus, with comfortable ensuite rooms and healthy meals.

Disconnect with limited screen time and daily opportunities to stay in touch with family.

Feel supported 24/7 by a passionate, dedicated team and an on-campus nurse.
