Three ways to spend two weeks

Choose the track that suits you best. Mornings focus on learning and personal development, while afternoons combine each track with adventures in Crans-Montana and the surrounding Alps.

Ages 8 - 14

LABS & PASSIONS TRACK

Explore in the morning. Follow your Passion in the afternoon

Choose one morning Lab:

STEM: Hands-on science, technology, engineering and maths.

Young Communicators: Build confidence in English through creative writing, storytelling and public speaking.

Life Skills (ages 10–13): Develop confidence through outdoor education, teamwork and practical life skills.

Choose one Passion to explore over five afternoons:

Action Sports, Art in Nature, Golf or Racket Sports

CHF 8'200.- + CHF 400.- pocket money

Ages 13 - 16

LEADERSHIP TRACK

Learn to lead... starting with yourself

A 42-hour programme of personal development and outdoor challenges, designed to build confidence, resilience and teamwork across three key areas:

Communication: public speaking, emotional awareness, interpersonal skills, non-verbal communication.

Healthy Lifestyle: time management, nutrition, mindfulness & yoga

Outdoor Challenges: team building, via ferrata, glacier trekking.

A good command of English is required.

CHF 8'200.- + CHF 400.- pocket money

Ages 15 - 17

PRE-UNIVERSITY TRACK

Prepare for what comes next

Choose between **IB & IGCSE Maths** and **SAT Preparation**, with 36 hours of focused teaching over two weeks.

Learning is balanced with six afternoons of adventure in the Swiss Alps, with activities such as rafting, surfing, via ferrata, downhill scootering and a glacier visit.

A good command of English is required.

CHF 11'900.- + CHF 400.- pocket money
